Dear Resident:

I am pleased to inform you that the shuttle service will be utilizing updated equipment. Our vendor has purchased 2 new vans to be used exclusively for the North Hills shuttle service. The new vans must be processed for DOT inspection and approval. The first van should be in service within the next week and the second van shortly thereafter.

We are sure the improved vehicles will be more comfortable and more reliable and hopefully utilized to a greater extent as word spreads within our community. Thank you for your patience.

Sincerely,

Marvin Natiss
Mayor
